1. REMINDER: SKILLING FOR RECOVERY PART QUALIFICATIONS – EXPRESSIONS OF INTEREST CLOSE 5.00PM, MONDAY 22 FEBRUARY 2021

As advised in Smart and Skilled Update No. 127 (8 February 2021), Smart and Skilled providers have been invited by email to express their interest in delivering part qualifications training under Skilling for Recovery (SfR) for students who are commencing training on or before 30 June 2021.

If you are interested, please ensure that you submit the application form which was included with the email to marketdesign.implementation@det.nsw.edu.au by **5:00pm Monday 22 February (AEDT)**.

As previously advised, the EOI must be completed by either your Chief Executive Officer or nominated Smart and Skilled Provider Representative (as recorded in STS Online).

a. Additional BSB part qualification available

Although not available in version 2.4 of the SfR part qualifications list, please note that you may apply for the following part qualification as an existing part qualification.

Key Management Skill Set

- BSBLDR411 - Demonstrate leadership in the workplace
- BSBLDR414 - Lead team effectiveness
- BSBOPS402 - Coordinate business operational plans.

This part qualification contains units of competency which supersede those in the existing BSBSS00043 Key Management Skill Set, which can still be applied for under the EOI.

If you would like to apply for this part qualification, please include it in the *Proposed Part Quals* tab of the application form and note in the supporting information column that it is an existing part qualification.

If you have already submitted your application and would like to also deliver this part qualification, you may re-submit your application including this additional qualification.

This qualification will not be counted as one of the three (maximum) additional new part qualifications for which you are able to apply.

b. Error in the application form re: timing of training delivery

In the SFR-C and SFR-R&Y tabs of the application form, column V contains a reference to delivery from 1 July 2021.

Please disregard this reference, as the expression of interest is limited to part qualifications training commencing on or before 30 June 2021.
