1. ASSISTANCE FOR SMART AND SKILLED PROVIDERS IN BUSHFIRE AND/OR DROUGHT AFFECTED AREAS

The Department understands the ongoing impact of the devastating bushfires and/or drought, and the effect this may have on organisations and their ability to deliver training. The Department extends its support and sympathy to all of those whose lives have been impacted directly or indirectly.

If your organisation has been impacted by the bushfires and/or the drought, please call your local Training Services NSW Regional Office on 13 28 11 to discuss the assistance and support that could be provided to you and your students.

Please continue to stay safe and inform the Department about any matters that have the potential to impact you and the students, businesses and communities that you support.

2. SMART AND SKILLED PROVIDERS WITH CAPACITY TO SUPPORT STUDENTS IN BUSHFIRE AND/OR DROUGHT AFFECTED AREAS

If your organisation may have capacity to provide support to students who have been impacted by the bushfires and/or drought, please call your local Training Services NSW Regional Office on 13 28 11.

The Department appreciates the support of organisations during this challenging time.
