1. NSW SKILLS LIST UPDATE – VERSION 11.1 RELEASED

The NSW Skills List has been updated to cover changes as a result of

- the removal of qualifications;
- updates to Training Packages; and
- updates to Vocational Training Orders (VTOs).

Version 11.1 of the NSW Skills List is now available at www.training.nsw.gov.au/smartandskilled/nsw_skills_list.html.

The *Smart and Skilled Prices and Fees Schedule* at https://www.training.nsw.gov.au/smartandskilled/prices_fees.html has also been updated to Version 11.1 to incorporate changes to the Skills List.

a. Qualifications removed from the Skills List following review

As advised in Smart and Skilled Update No. 111 (15 September 2020), 13 qualifications have now been removed from the Skills List due to a lack of training activity.

These removals were supported by a consultation process involving Industry Training Advisory Bodies (ITABs), industry and provider peak bodies, Smart and Skilled providers and other government agencies. **Table 1** shows the qualifications removed from the Skills List.

Eight of these qualifications have been placed on the pre-qualified list. These eight qualifications can be returned to the Skills List through an expedited additions process that allows a request to be made at any time, should demand for the qualification increase.

The pre-qualified list, and the *NSW Skills List Management Policy*, which contains more information on the management of the pre-qualified list, is available at www.training.nsw.gov.au/smartandskilled/nsw_skills_list.html
