## Supervising unlicensed electricians in NSW

Communication pack  
NSW Fair Trading

# Introduction

We invite people working in the electrical and building trades to have their say on the supervision of apprentice electricians and unlicensed electrical workers in NSW.

This communication pack has been created to help your stakeholders share information about the consultation and encourage people to share their views.

This pack contains approved content for:

- websites and newsletters
- social media.

# Have your say

The NSW Government is reviewing how apprentice electricians and unlicensed electrical workers are being supervised at work.

We want to hear from people working in the electrical and building trades about their experiences. Your responses will help ensure the safety of tradespeople and the general public and improve the standard of electrical work.

We will use your comments to inform possible best-practice supervision practices for apprentice electricians and unlicensed electrical workers in our state.

Have your say at [www.haveyoursay.nsw.gov.au/electricians-supervision-requirements](http://www.haveyoursay.nsw.gov.au/electricians-supervision-requirements).

Submissions close **Friday 6 August 2021**.
