DISCOVER THE CAREER THAT WORKS FOR YOU

Careers NSW is a new program offering career guidance and advice to NSW residents at any stage in their career.

In its Pilot phase, Careers NSW will offer three services:

1. A self-service website to navigate all aspects of career advice

Accessible to all NSW residents across the State regardless of age or job status.

2. Connection with Industry Experts for industry and occupation insights

Book an appointment with an Industry Expert from one of 7 priority industries initially, with more coming on board in the coming months – Available online to all people 18 years and over.

3. Access to tailored career guidance from a professional Career Advisor

Career advice services delivered on-line to NSW residents, >18 yrs of age, across four priority regions (Penrith, Liverpool, Armidale and Coffs Harbour). Priority cohorts and industries (including construction, aged care, health, and tourism) have been identified within these regions.

The pilot program was launched in November 2021 with the full service model to be launched mid-2022.
